

professional **vocal** coaching

Using a mix of practical experience and technical knowledge, my goal is to nurture and instruct developing singers and advise and support experienced ones.

What You Will Learn:

- Proper warm-up routines
- How to increase your vocal range
- Breathing techniques
- How to achieve better intonation
- Vocal articulation and enunciation
- Vocal projection
- Proper microphone technique
- Stage presence
- Taking care of your vocal "instrument"
- "Secrets" of Rock and Roll singing

My Qualifications:

- 30+ years of performing
- Classically trained singer
- Performed with numerous national recording artists
- Wrote and recorded songs featured on MTV "Made" and radio airplay across the globe
- Competed in the "National Harmony Sweepstakes" at the Kennedy Center in Washington, D.C.
